called the owner during the meeting in hopes of having someone come to GL to provide suggestions based on our courts. However, they do not do installations. She will continue to garner specifications so that we can present our plans to the GL Board in the near future.

Bill will be contacting Pam regarding the need to have the courts cleaned regularly using a leaf blower. There is a shell/sand area near the courts which gets tracked onto the courts and could result in the potential for injury to players slipping on the court.

Jerry Ash has agreed to continue teaching Beginner lessons on Wednesdays from 11 a.m. until noon. Anyone who is unable to attend on Wednesday can contact Bill Blake and he will provide lessons.

Deb made a motion to adjourn the meeting at 11:17 a.m. Mary seconded the motion and the meeting was concluded.
