

PLEASE NOTE: The Editor apologizes to our Pickleball players for having inadvertently omitted this article in May.

We had three of our board members - Phil Snape, Shelia Snape, and Mary Lenhard - complete their tenure. A new board was selected and approved at the end of March to continue the Club activities over the next three years. The new board is:

Chairman	Bill Blake
Secretary	Kevin Hogan
Treasurer	Bonnie Frye
Website/Communications	Larry Van Deventer
Equipment	Sandy Tiell
Socials	Debbie Atkinson & Sandy Tiell
Tournaments/ League Ladders	Mike Henderson, Janis Hogan & Larry Van Deventer

The Golf Lakes Pickleball Club added a new website this year to get information and scores to our members and act as an archive for our club's information. The web address is www.GL-PC.org

Due to the recommendations for the coronavirus our season was suspended one week early with our March tournament and our final awards banquet having to be cancelled. We decided to announce winners on our website and will wait until fall to make our award presentations.

New nets were installed on both courts and the pickleball courts are to be resurfaced and repainted this summer.

The Women's Club Corner

Since Women's Club cancelled their meeting for April due to COVID-19, we did not have a chance to present our Budget for 2020-21. Those figures will be presented to the membership by the new Finance Chairperson, Cande Vermeulen, and the election and installation of 2020-2021 officers will be held at the November meeting. Even though they were not installed, the new officers are hard at work planning next year's programs and activities. The Club is ready to resume activities and invites all residents to attend our meetings. They will be announced at Coffee Hour, in the Banner, and on Channel 732. We also publish a program book which will be available this fall and at our meetings.

During the 2019-2020 year we spent money on projects inside the park (\$10,077.18) and made charitable donations (\$5,000.00) to local charities. An itemized listing is found below. In addition to these expenditures, the Women's Club purchases and accepts donations of yard goods/fabric for projects and items for Head Start. Our members make a variety of knitted, crocheted, and sewn goods that are donated to nursing homes in the area and donate all the items you collect for Head Start.

We would like to say **Thank You** to all the residents who support our White Elephant Sale, entertainment evening, and Ice Cream Social as well as all the volunteers who make these possible.
