

Golf Lakes Pickleball Club

ANNOUNCEMENT

February 16, 2023

The Golf Lake Pickleball Club (GLPC) elects board members every three years, per the club by-laws. This year all board member's terms will expire. Several board members have indicated they are willing to serve again and run for re-election.

We will hold an election in March for the new board members, each member serving a three year term. The new members will begin serving the day after our March Awards Ceremony. (at the end of this season)

Please consider putting your name in to serve on the board by helping to promote and enhance our sport within the park. If you are interested please email me at lvandev2@yahoo.com.

Thanks,

Larry V
