

# **Golf Lakes Pickleball Club**

## **Chairman's Message**

**February 2020**

Hi Folks,

6 years ago Jay Penna and I presented to the GL Board on behalf of our newly formed GLPC. We requested pickleball courts, offering to assist the Board with money we did not have, just promised to us.

We were dumbfounded when in October of that year the GL Board actually approved the installation of our 2 courts. We scrambled around (mainly Jay) calling in all the promises and we came up with the pledged money.

On February 12th 2020 we will have reached the 5th anniversary of the installation of our courts and am pleased to say that our club has continued to prosper.

Although we have a fine facility it does need maintenance from time to time. This summer our courts will be resurfaced taking away a few blemishes that have appeared. We actually got an extra year out of our courts, they are slated for resurfacing every 4 years.

Hopefully our membership is giving serious consideration to volunteering as a GLPC committee member in our upcoming elections. Without volunteers this club does not happen.

Phil Snape, Chairman.
