

Men's Beginner and Intermediate Play

If you are a beginner or Intermediate player and want to learn the game, improve your skills, and meet others this is for you. A fun filled afternoon with players of your ability.

Time:

Every Tuesday from 2-4 p.m. depending on numbers

Start Date:

Tuesday January 24th

Format:

1. Each week will begin with a 2-minute lesson about skills, strategies, or other parts of the game.
2. Depending on numbers we could play round robin/team format/timed format, or a combination of other formats.

Whatever you decide, we would like to know your commitment even if you don't play every week.

The whole idea is to have fun, meet other people, and increase your confidence.

Respond to this email or text me at 508-345-3338 with a yes or no if you will participate. We will start on the 24th at 2:00 p.m. with a round robin format.

Thanks

Bill Blake
