

Golf Lakes Pickleball Club

Chairman's Message

March 15, 2020

Hi Guys,

Your GLPC Committee had an emergency meeting today at 2.00 pm and resolved that because of the escalating coronavirus risk the safest approach would be to cancel all structured club events immediately.

The canceled events include:

- 1. PARTNER PLAY (Monday Afternoon)**
- 2. LEAGUE PLAY (Tuesday Morning)**
- 3. LADIES LEAGUE PLAY (Wednesday Morning)**
- 4. BEGINNER LESSONS (Wednesday 11.00 am)**
- 4. LEAGUE PLAY (Thursday Morning)**
- 5. TOURNAMENT (Saturday, March 21st)**
- 6. END OF SEASON BANQUET (Monday, March 23rd)**

Presently the courts are still in use for pick-up games including Tuesday and Thursday mornings which will revert to organized play.

Please understand that any further play at the courts is at your own risk so be sure to take the necessary precautions when playing at an at-risk community.

As a final word, it is too bad we have to end our season in this way, I had planned speeches and thank yous as did our leagues and tournament organizers but we have to be as safe as possible under this present climate. I hope you understand.

Phil Snape,

Soon to be ex chairman. Freedom 72.
