

Golf Lakes Pickleball Club

Social Director's Message

March 15, 2020

Hi all,

Since some of our members are Canadian and must return home early this week, your new board has decided to give awards for league play this coming **Wednesday, March 18th, at 2:00**. We will meet under the trees by the clubhouse back door. Bring your own seat and hear who has won the various awards and the new board members positions they will each serve in. This also will give us all a chance to thank our board members who have served their terms and more. We can also say goodbye to our friends who must leave early.

Plan to obey present spacing guidelines and remember, no handshakes, hugs, or close contact in order to keep us all safe.

See you Wednesday under the shade trees!!

Debbie
