CHAIRMANS MESSAGE.

Hi Folks,
As we embark on our 6th season of pickleball it's good to reflect how far we have come. Together with yourselves, I'm looking forward to another successful season for our club. I'd like to welcome back all those returning from northern climes. For most it will be respite from that snow slush and frigid temperatures.
We are experiencing a problem with the installed floodlighting. The equipment only effectively illuminates one court. Anyway your committee together with GL Board members, the park's administrator and the lighting contractor are trying to resolve the situation to provide adequate lighting for both courts at the least additional cost.

Our league play this season will be headed by Mike Henderson together with a sub-committee. I would encourage you all to extend your patience and co-operation to all the organizers as you have done so with me over the years.

Phil Snape, Chairman.
